Course Levels

- As we progress through the courses we'll build our range of life skills & skill levels with the duration, distance and distractions of everyday life.
- Working at our own pace we'll adapt each exercise giving the right level & type of challenge for progressive successful outcomes.
- As we advance we'll include handy skills, tricks, training games and fun challenges such as rally.
- If you choose to continue and graduate "high school" there's even the opportunity to join our trained dogs group.

Juniors & Beginners Dog Training

Growing our Life Skills

- Our juniors & beginners dog training courses are designed to grow our range and levels of life skills.
- We'll put special emphasis on developing dog obedience, maintaining good behaviour and addressing issues that may occur or have crept in during the teenage phase which is remarkably similar to "human teenage"!
- There's lots of support to help you deal with common behaviours such as selective deafness, social skills and testing the rules.
- We'll help you grow a sociable well trained dog able to participate in family life from politely greeting visitors to joining you on visits, activities and days out.
